

More to make...

Mix and match your letters to create a sweet selection of fun feline projects. Here are some ideas to get you started...

- 1** Use waste canvas to add your kitty's initial to their bed.
- 2** Keep cat treats in a jar and add the word 'treats' or their name to the jar as a patch.
- 3** Keep photos of your much-loved pet in an album with their stitched name attached to the cover as a frayed patch.
